Kavita

My Heart,

My heart this is letter to you, in this letter I am going to talk with My heart. My great expression, passion of your great magnificence, excellence of brilliance and everything all about sweet Love.

My heart is full of holiest ingredient.

From a journey of divine nebula where autonomous firework offer a beauty of presence, salutation of gratitude and happiness where science of miracle is a just part of life. I know my read everything with Love. With the extreme happiness and abundance of prosperity of nectar of holiness and excellent knowledge, essence of infinite natural power, the journey of being esteemed, take place to the palace of Love and Luck which will be luminary forever in the universe.

The holi golden exquisite a luxururious cruise ship enriched with several fountains of nectar. Decorated with different pattern of flowers, lamps, jewellery diamonds and crystallized. also includes Delicious Royal Cuisine, numerous royal suites in the presence of pleasure with me and my heart, my heart amazed. The journey started with instrumental music of joy, affection and peace with luminescence. A creative and lucrative journey enprotected with the affirmative ambience of holi colourful Light, Power, Brilliance any many more.

There is always nourishment.

The holi golden exquisite luxury ship is designed so artistic, colourful that appears in significant impression.

A fresh fragrance changes the feelings keeps me and my heart always ecstatic.

In the special journey my heart enjoyed various enlightning in the universe. Everything the enlightened by stars is great part of memories, my heart enjoyed by pointing it.

The time is great successor of the holi nebula. The duty of enlightning and clouds is to perform very clearly recycling. The duty of time is to offer achievement, Victory and to keep pleasures. The other word belonged to the time are the childern of time. Time is supreme among them. They obeys the time. Time has extreme ability to work, pleasing to my heart and has been ordered to make right justice forever.

Me and my heart enjoyed the journey and now time ordered to ready for next transformation, should be technically defined perfect.

Me and my heart with the elements will be continue to perform their duty with help of perfect science. Duties are Ability, growth, Knowledge, vision and experience. Finally me and my heart can achieve prosperity and happiness with sweet humming of enjoyment. All virtues including mentioned above will be the part of Duty of time. Me and my heart are now transformed to the virtue called wisdom and now enrichment, The transformation action takes place benefic.

My heart like the royal life, has great ability with stunning beautiful smile and feels love, loves sweetness,

and discovers guineness, desires the sweet honey.

I love everything expressed by my heart. Me and My heart is reflects the rainbows of love. My heart is my sweetest heart, having great understanding, sincerity as I am the soul of my heart. I love you my heart and be ready for every next journey with me.

Me and My heart have tremendous Love.

My heart is Sweetheart and She is Kavita.

I love you Kavita, and will forever.

Rahul
